

Berthoud High School After Prom Event

May 6, 2013

THANK YOU VERY MUCH!

I am writing today to thank you for your generosity and contribution to this year's Berthoud High School After Prom Event.

Thanks you to you we had another successful event for our Junior and Senior students. The theme was Toga Party and we were able to provide the students with food, prizes and fun filled activities.

We greatly appreciate your support and hope you will continue to assist us with this tradition in the years ahead to keep our children safe.

Sincerely,

Nancy Taylor-Williams
